

**RAJIV AAROgyASRI COMMUNITY HEALTH INSURANCE SCHEME GOVT OF A.P.
IMPLEMENTED IN SRI POTTI SREERAMULU NELLORE DIST.**

Implemented from 15/04/2008.in IIIrd phase

Along with other five Districts

1. Medak District
2. Karimnagar Dt
3. Kadapa Dt
4. Prakasam Dt
5. S.P.S.R.Nellore Dt.

Objective:

In order to improve the access of rural people especially those living under below poverty line to quality medical care for identification of the diseases, for treatment of identified diseases in the network hospitals of health care providers. The Government of Andhra Pradesh have implemented Aarogyasri community health insurance scheme in the A.P state in a phased manner with effect from 1st April 2007 and after knowing the encouraging results, public response to the scheme, government has extended the scheme implementing in other districts in a phased manner covering for major diseases to medical treatment, for surgeries and other procedures etc., in all the network hospitals in the district empanelled by the Aarogyasri Health Care Trust A.P.Hyd.

In Ist Phase as an experimental stage the scheme implemented in 3 Districts of A.P. state i.e., Anantapur, Mahabubnagar, Srikakulam from 01/04/2007.Covering for 163 Diseases.

In IInd Phase it was extended in other 5 Districts of A.P.state i.e.Chittoor, E-Godavari, W-Godavari, Rangareddy, and Nalgonda from 05/12/2007.Covering for 272 Diseases.

In IIIrd Phase the scheme was extended in other 5 Districts of A.P.state i.e., Kadapa, Karimnagar Medak, Prakasam and Nellore from 15/04/2008, adding more Diseases and covering for 332 diseases and implementing in all the above 13 districts

As the scheme was attracted and derived more help by all the BPL families in the district as well as in all the 13 districts, The Govt of.A.P has extended and implemented the health insurance scheme in all the remaining 10 Districts of the A.P.state covering all the 23 districts in the A.P.state, Adding more number of new diseases 533 to the already existing diseases totally for 863 diseases are implemented in all the districts of the state Under Aarogyasri-II. Later 77 new diseases are added totaling about 942 diseases/procedures are implemented from 17/07/2008.Covering surgical and medical emergencies.

The S.P.S.R.Nellore District under Rajiv Aarogyasri Health Insurance Scheme is providing health care to all the BPL Families in the district, under Aarogyasri-I&II by arranging medical camps with the various identified specialists empanelled in network hospital by the A.P Trust.

Beneficiaries of BPL Families are identified from the all villages of 46 mandals in the district by the PHC staff, and all other medical infrastructure provided in the district, through medical camps by the network hospitals. Every month about 20-30 medical camps are being organized at PHC'S ,UHC'S,CHC'S ,two Area Hospitals and District head quarters hospital Nellore. After the preliminary screening some of the deserving patients are referred to the network Hospitals for admission and for immediate attention for regular treatment medical/surgeries through Aarogyamitras provided in the P.H.C's and other hospitals in the district.

The scheme is intended to benefit to all the 22.83 lakhs BPL Families in the Nellore District.
